Final Note by the Third Member of Council.

Subject:-

Revision of the Establishments of the Maternities at Bangalore and Robertsonpet.

In my final note dated the 8th March 1920, it was brought to His Highness's gracious notice that the number of hands and the scale of pay in the establishment of the Vani Vilas Hospital at Mysore were inadequate for the present requirements of the Institution and His Highness was pleased to sanction a revision of the said establishment at a total extra cost of Rs.3,286-10-8 per year.

2. When sending up proposals for the revision of the establishment of the above Hospital, the Senior Surgeon took the opportunity to urge that it was desirable to revise the establishments of the Maternity Hospitals at Bangalore and Robertsonpet also on the same basis and the Comptroller was accordingly authorised to verify and transmit to Government the proposition statements sent by the Senior Surgeon for the purpose.

3. The cost of the proposed additional establishment is Rs.145 per mensem or Rs.1740 per annum for the Maternity at Bangalore and Rs.136/- per mensem or Rs.1632 per annum for the Maternity at Robertsonpet.

4. I am of opinion that the additional establishment asked for by the Senior Surgeon is necessary and may be sanctioned. The other Members of Council have agreed and the Financial Secretary has no objection to this recommendation.

P.T.O.

The proposals of the Senior Surgeon may be graciously sanctioned.
